What are the Arts and Culture Awards?

Awards given by the Phoenix Theatre Management Society recognizing individuals, businesses and organizations who have contributed to all arts and culture in Fort Nelson and the Northern Rockies Regional Municipality. Arts and culture include visual, music, dance, film, theatre, written word, culinary, parades, festivals, community events, design and all other forms of arts and culture. The awards are presented at the Phoenix Theatre on Friday, September 28, 2018 at 7PM. All are welcome to attend.

Who is eligible?

To qualify, the nominee must be a resident of the Northern Rockies Regional Municipality. Any individual, agency, organization or community group may nominate an individual, organization or business for any reason. Former community members can also be nominated for past contributions made during their residency in Fort Nelson.

How is the recipient selected?

An independent panel of judges appointed by the Phoenix Theatre Management Society will review the nominations and choose the recipients. To ensure the independent panel of judges is fully aware of the nominee's contribution to the arts and culture in our community, a clear and concise written description must be given and should list all relevant activities and achievements.
